**** click on the image for more descriptions**

Cat Statue Padungan Roundabout & Padungan Street

Cat statue that changed clothing according to festival. Stroll along the Padungan Street which lined with Chinese shophouses, mostly built in the 1920's and 30's during the rubber boom.

The Cat Family Statue

The Cat Family statue consists of father cat, mother cat and seven playful kitten. Overall the statue brings the meaning of harmony and unity. It also promotes the concept of “unity in diversity” where each cat is different from their fur color but as a whole they are a family.

Carpenter Street

A vibrant and historically rich area that reflects the unique blend of culture, history, and local life. Known for its colonial-era charm, Carpenter Street is a bustling lane filled with traditional shophouses, each telling stories of generations past.

What to do in Bau?

40 minutes drive from Kuching

Fairy Cave

Fairy Cave is a limestone rock formation. The view of the main cave room is just breathtaking. Stalagmites and stalactites jut out of the rock face, greenery dresses the walls, and the sun shines into the opening illuminating the cave entrance.

Wind Cave

Wind Cave is full of bats. Walk along the wooden plank through the dark and eerie tunnels where you can hear the bats hanging from the ceiling of the cave.

Tasik Biru / Blue Lake

Tasik Biru, a picturesque artificial lake in Bau, about 300 ft deep. The lake was formerly a gold mine where Hakka miners excavated gold with simple tools but later laid to form a lake from the rain water.
